# NFyMonoDocs Documentation

*Release latest*

Apr 11, 2022

## CONTENTS

NFy Mono is a tech-yyy, constantly updated, open-sourced version of the [NFy](#) Classic Client.

If you're just getting started, we recommend you review the [Getting Started](#) page!

If you want to know the ins-and-outs of NFy Mono, we recommend you overview the [APIs](#), if you're thinking about contribution.
